

ARUN K. GARG, DMD

Dr. Arun K. Garg is the founder of Implant Seminars, the largest provider of dental implant continuing education in the country and the South Beach Dental Institute. He is considered a world's preeminent authority on bone biology, bone harvesting and bone grafting in dental implant surgery. For nearly 20 years, he served as a full-time Professor of Surgery in the Division of Oral/Maxillofacial Surgery at the University of Miami School of Medicine, and as Director of the Residency Training Program. He has written eight books, translated into multiple languages and distributed worldwide. He is the current president of the American Dental Implant Association. He has been a featured speaker at the Florida Dental Association annual meeting (FNDC) numerous times, as well as the American Academy of Periodontology(AAP) annual meeting (numerous times), and at the American College of Oral and Maxillofacial Surgeons (ACOMS) Annual Meeting. He has served as both a committee member and Chairman for the South Florida District Dental Association(SFDDA) annual meeting. His private practice is in Miami Beach, Florida.

"If any dentist out there thinks he or she can't place implants-you can! Dr. Garg and his incredible staff make it possible, not only academically, but financially as well. Each course is scientifically backed-up with credible research. They also equip you mentally, so you can return to your practice on Monday and actually apply the techniques on your patients. It is a win-win for me and my patients!"
Dr. Misty Brown, Keller, TX

"This course was comprehensive and definitely has given me the knowledge and confidence to place implants with a high degree of skill!"
Dr. Stafford Conley, Bowie, MD

"Dr. Garg takes procedures, techniques and materials and presents them in a clear, easy to implement fashion. I have total confidence to perform bone grafting, implant placement and soft tissue surgery. The overall experience was fantastic."
Dr. Larry Sarner, Franklin, MA

"Outstanding Course. I would recommend to any and every endodontist."
Dr. Cameron Townsend, Endodontist. Roseburg, OR

"Dr. Garg's practical approach to dental implants makes it easy for the endodontist to start immediately."
Dr. Peter Chen, Endodontist. Clermont, FL
