IMPLANT DENTISTRY CONTINUUM

SEPTEMBER 2010 - JANUARY 2011

Are you interested in placing and/or restoring dental implants? Or do you want to enhance your dental implantology skills? If "Yes," this Implant Dentistry Continuum® is for you. In five weekends spread over five months, you will learn the latest concepts, techniques and technologies required to successfully place and/or restore implants in your own practice.

- This Continuum offers a convenient weekend only schedule to accommodate your busy life.
- In this spaced out and ongoing learning format, you will take the knowledge gained in each session and apply it immediately in your practice prior to the following month's session.
- With each session you will discuss your experience with the instructor, receive additional coaching, and learn additional surgical and restorative skills.

What makes the Implant Dentistry Continuum® so unique and valuable are the hands-on workshops. You won't just sit and listen. You will do! Using specially designed surgical, soft tissue and prosthetic models, you will sharpen your skills under the watchful eyes of a caring faculty before you return to the office.

It takes confidence to place dental implants. When you participate in the Implant Dentistry Continuum®, your confidence will come from being skilled at what you do, and from having a team of people around you who provide support and inspiration during various stages of learning.

Intrigued? If so, this is the course for you! A new world of implant dentistry success awaits you.

COURSE LOCATION

Hyatt Regency Atlanta
265 Peachtree Street NE,
Atlanta, Georgia 30303
Ph: 404.577.1234

If you choose, you may take the written examination for Fellowship status with the American Dental Implant Association at the final session.

ATLANTA IMPLANT DENTISTRY CONTINUUM

DR. ARUN K. GARG HAS BEEN INSPIRING DENTISTS FOR MORE THAN 20 YEARS GAIN THE INSIGHT, KNOWLEDGE AND CONFIDENCE TO PLACE AND/OR RESTORE DENTAL IMPLANTS WITH CONFIDENCE AND SUCCESS.

COURSE DIRECTOR

ARUN K. GARG, D.M.D.

Dr. Arun K. Garg earned his engineering and dental degrees from the University of Florida and then completed his residency training at the University of Miami/Jackson Memorial Hospital. For nearly 20 years, Dr. Garg served as a full-time Professor of Surgery in the Division of Oral and Maxillofacial Surgery and as Director of Residency Training at the University of Miami School of Medicine. He was frequently recognized as "faculty member of the year" by his residents.

Dr. Garg is the founder of Implant Seminars, the nation's largest provider of dental implant continuing education. He is considered the world's preeminent authority on bone biology, bone harvesting and bone grafting for dental implant surgery. He has written and published eight books, which have been translated into multiple languages and distributed worldwide.

Dr. Garg is the current president of the American Dental Implant Association. He is a highly-respected clinician and educator. He has been a featured speaker at dozens of state, national and international dental association conventions and meetings, including the American Academy of Periodontology, the American College of Oral and Maxillofacial Surgeons, and the ICOI.

Dr. Garg has received numerous awards, including outstanding educator by the ICOI and an award for best article published by the Implant Dentistry Journal. In addition, Dr. Garg has developed and refined many surgical techniques and devices that simplify surgery while making it more predictable.

TESTIMONIALS

CALL 800.561.3065 OR FAX 305.944.3046

"This is, by far, the best continuing education class I've taken in my 27 years of practice! Great lectures and vendors, essential for getting started!! These seminars have it all!"

Dr. Glenn Gerald, Oakton, VA

"If any dentist out there thinks he or she can't place implants-you can! Dr Garg and his incredible staff make it possible, not only academically, but financially as well. Each course is scientifically backed-up with credible research. They also equip you mentally, so you can return to your practice on Monday and actually apply the techniques on your patients. It is a win-win for me and my patients!"

Dr. Misty Brown, Keller, TX

"Dr. Garg takes procedures, techniques and materials and presents them in a clear, easy to implement fashion. I have total confidence to perform bone grafting, implant placement and soft tissue surgery. The overall experience was fantastic."

Dr. Larry Sarner, Franklin, MA

"Thanks for a clear, concise, effective, and informative presentation that cut through all the smoke and went straight to the point."

Dr. George Saliba, Houston, TX

"Dr. Garg is a great speaker and extremely knowledgeable and organized. Very practical."

Dr. Paul Cavalluzzo, Palm Coast, FL

"I placed my first six implants halfway through taking your Continuum!"

Dr. Yuey S. Moy, Upper Marlboro, MD

"I learned more about dental implants in six months than I have in the previous 10 years, from both a surgical and prosthetic standpoint."

Dr. Thomas Scibor, Buffalo, NY

"This course was comprehensive and definitely has given me the knowledge and confidence to place implants with a high degree of skill!"

Dr. Stafford Conley, Bowie, MD

"Dr. Garg is truly a giver of his time, energy, vision, and talent; and it's wonderful for him to provide this educational service for all of us."

Dr. Gregory Mohr, Manlius, NY

"Best decision I ever made Professionally!"

Dr. Bryan A. Sipes, Harrisburg, PA
